Re: *Ex Parte* Communications
In the Matter of AT&T Corp. Emergency Petition for Settlement Stop
Payment Order and Request for Immediate Interim Relief
IB Docket No. 03-38

Dear Ms. Dortch:

By its counsel, Globe Telecom ("Globe") hereby notifies the Commission of the attached Globe letter to AT&T to be submitted in the above captioned docket. Globe Telecom and AT&T met on Friday March 21, 2003 to discuss a possible new agreement for international termination of switched voice. On March 25, 2003, Globe informed AT&T, by letter (a copy of which is attached) that due to AT&T's failure to make payment of overdue payables, and pursuant to Section 6 of the International Telecommunications Service Agreement between Globe and AT&T, and to the March 12, 2003 Order of the Philippine National Telecommunications Committee, Globe suspended all traffic from AT&T effective close of business March 25, 2003. Two copies of Globe's March 25, 2003 letter are enclosed.

Regional Director
Asia/Pacific Route Management

Gentlemen :

This is to confirm that in accordance with Sec 6 of our ITSA and the Order of our National Telecommunications Commission dated 12 March 2003, Globe Telecom suspended receipt of all traffic from AT & T effective close of business hours today, 25 March 2003. We are constrained to take this step due to your failure to make payment of your overdue payables despite our notice given to you in our letter last 19 April 2003, and your declared inability to pay us.

We note that prior to this suspension, you had in fact dropped your total traffic sent to us from an average of 870,000 minutes per day for the month of January 2003 to as low as only 2 000 minutes per day from March 1 to 20, 2003. Moreover, we note that you ceased sending us Globe CMTS on-net traffic effective February 22, 2003 and that at least 40% of whatever little call attempts you have made are for off-net traffic that, as you know, we cannot complete anyway since we would suffer serious losses were we to do so. We therefore believe that, in the light of the foregoing, this suspension works to our mutual benefit.

We reiterate our demands stated in our letter of 19 March 2003 to you to pay your overdue payables to us and to promptly pay your other payables in us as they fall due.

The foregoing is without prejudice to any and all of our legal rights and remedies against you for your failure to pay and other acts you have taken to frustrate payment to us.

Very truly yours,

FERNANDO B. CRUZ
Head, Carrier Relations
Carrier Services Group
